PTA Membership... Makes a Difference!

What Does the PTA Do?

Membership does not mean you have to participate in everything we do! ☺
It gives you a Voice and Vote at the Franklin PTA meetings. However, as a volunteer group, we're always happy to have more volunteers!

A Giving Tree Grows at Franklin Elementary!

Franklin Elementary PTA asks for your support to help grow our tree, extend its reach & give back to our children. As families, Staff & PTA members, our tree inside the MP Room will come alive and so will our classrooms!

Your level of commitment, no matter how big or small, makes a huge difference!
