Cups	Used Schools water cups- too small we should buy cups next time.

5 gallon Starbucks Coffee, creamer, sugar, stir sticks and 80 cups	Donated- Whitelock and Bruceville Location
Total:	1006.50

DNO 6:16 pm Liz- Our past DNO's:: Rubio's made \$504.89 and Chipotle \$806.54. We are waiting to hear back from Mountain Mikes on how much we raised. We are looking for local restaurants that can accommodate the amount of people that can go through.

Future Events 6:18pm Kristen- January/February possibly doing a movie night. A movie royalty license is \$125 for two years. Read-A-Thon:We would like it to be more structured. Creating a reading log or some sort. Great to have a universal chart where all teachers could use. Maybe have a competition between grade levels-whoever wins gets a pizza party, etc. Mrs. Hutto will check with teachers to see if they want to go by minutes read or per book. Liz mentioned having an individual log would be helpful so the child can take back and forth to and from school. A.R. (Accelerated Reading) was brought up. It is a reading incentive program that has worked well in other schools.Aisha will reach out to schools that have it to see how much it costs. Tile event: Derek wrote up a grant proposal with Ms. Shirey. Waiting to hear back to see if we got it

Winter Family Fun Night 6:33pm Kristen-Will be held December 9th. We will have 2 groups with 200 people per group. Time slots will be 4:00-5:30 and 6:00-7:30 pm. Harry made a JOT form for responses. Both time slots were filled that night that the form was released. Kristin purchased 3 different crafts: wooden ornament, magic scratch art & sticker craft. Kristin needs to talk colors with Derek. There will be 2 different backdrops so families can take pictures. We will serve hot chocolate & treats. Harry will bring his snow machine to make fake snow for the kids. Slushy will be making an appearance. Juwana has a steamer that she can bring in to see if she can steam out the backdrops. We need lots of baked goods-please ask everyone. Megan has a connection with a Starbucks manager to have all the hot chocolate donated. Kristen bought rolls of green and red tablecloths. Kristin, Harry, Megan, Liz, Kerstin (after work at 2:40pm) are available to set up. Aisha will make the signs for treats and hot chocolate tables. Liz is available to set up the crafts per table groups prior to the event. See Winter Family Fun Night document for complete details. Mrs. Hutto asked if teachers are able to come to the event if they haven't signed up-of course all are welcome.

Meeting adjourned by Kristen at 7:30pm
